A Private & Peaceful Rural Retreat!

WFR is proud to offer to the market this idyllic rural retreat positioned in an exclusive enclave in the gorgeous Macdonald Valley and surrounded by over 400 acres of crown land.

Set on 11 acres (4 arable) with stunning views over the lake and valley, the immaculate architecturally designed residence with adjoining cottage provides the ultimate retreat from city life or those seeking a more permanent tree change. It is a very easy commute from Sydney, with the drive taking less than 2 hours.

Nestled at the rear of the enclave and off the main road, providing tranquility, privacy and sense of seclusion, the meticulously planned custom built home with its elevated positioning is sun drenched due to its north facing aspect. The expansive deck is an impressive area where you can enjoy your morning coffee or end the day just relaxing with a wine as you watch the night sky roll into the valley.
